

Hi beautiful community ✨

We're gathering on the **7th of September** for our Women's Circle at The Rising Sun from **6–8pm**, and you're warmly invited.

This is a relaxed, heart-centered space for you to **receive Reiki Healing Energy, meditate, recharge, connect and spiritually evolve in community.**

Whether you've been trained in Reiki and Meditation or are completely new, you're welcome to come and enjoy this healing offerings from **Reiki Master/Teacher Angelica Necula**, who also channels and shares the energy of **Ascended Masters Merlin and St. Germain** with **Violet Flame**, and more. We will weekly inform about each healing session we will hold.

If life has been hectic and demanding, this is your chance to simply **relax** and experience a complimentary group session of healing Reiki energy and meditation to **restore yourself.**

*We look forward to connecting with you
and sharing some magic! ♡*
